Cross-sectional Height:

Between 0.205 inches and 0.215 inches

Center Hole Diameter:

Between 6.935 inches and 7.015 inches

End Application:

Kidd class ddg

Product Name:

As568-365 neoprene-1

Material:

Rubber chloroprene class cr

Material Specification:

(66935)neoprene-1 mfr ref single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A510x0
