**Cross-sectional Height:**

Between 0.100 inches and 0.106 inches

**Center Hole Diameter:**

Between 0.292 inches and 0.306 inches

**Material:**

Rubber fluorosilicone class fq

**Material Specification:**

81349, -25988/4 military specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A510x0

**Mil-std (military Standard):**

spec.
