**Cross-sectional Height:**

0.070 inches

**Center Hole Diameter:**

0.614 inches

**End Application:**

Pressure relief valve

**Material:**

Plastic polytetrafluoroethylene

**Material Specification:**

Ams3660 assn standard single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A510x0
