Cross-sectional Height:

0.700 inches

Center Hole Diameter:

6.812 inches

End Application:

Laser designator/gltid ii; p/n 71001101-9

Product Name:

O-ring, electronic cover

Special Features:

Nitrite rubber compound material; 70 durometer

Material:

Rubber

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A510x0
