Cross-sectional Height:

0.062 inches

Center Hole Diameter:

0.375 inches

End Application:

Filter

Product Name:

Differential pressure guage kit

Special Features:

Outside diameter is 0.500"

Material:

Rubber butadiene-acrylonitrile class nbr

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A510x0
