Cross-sectional Height:

0.210 inches

Center Hole Diameter:

46.779 inches

End Application:

Fwd elect sec

Special Features:

length of item is 147.619 in, ; ends of item are spliced to form the o-ring

Material:

Rubber butadiene-acrylonitrile class nbr

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A510x0
