**Cross-sectional Height:**

0.099 inches

**Center Hole Diameter:**

0.515 inches

**End Application:**

Filter, duplex, metal

**Product Name:**

Drain valve o-ring

**Special Features:**

Od is 0.625 inches; material is not compatible with alcohol additives

**Material:**

Rubber butadiene-acrylonitrile class nbr

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A510x0
