Cross-sectional Height:

0.099 inches

Center Hole Diameter:

0.515 inches

End Application:

Filter, duplex, metal

Product Name:

Drain valve o-ring

Special Features:

Od is 0.625 inches; material is not compatible with alcohol additives

Material:

Rubber butadiene-acrylonitrile class nbr

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A510x0
