Cross-sectional Height:

0.020 inches

Center Hole Diameter:

0.171 inches

End Application:

INTE-RF-ACE-DEVI

Product Name:

Retainers, captive

Special Features:

diameter 0.240 inches

Material:

Plastic polyamide

Material Specification:

L-p-410 type 6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A510x0
