**Cross-sectional Height:**

0.312 inches

**Center Hole Diameter:**

32.360 inches

**End Application:**

Seal, prop shaft

**Product Name:**

Inavy: packing; drawing: o-ring

**Special Features:**

Per drawing, type is nonstd

**Material:**

Rubber butadiene-acrylonitrile class nbr

**Material Specification:**

Mil-g-21610. Ty-1 military specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A510x0

**Mil-std (military Standard):**

Mil-g-21610 spec.
