Cross-sectional Height:
0.312 inches
Center Hole Diameter:
32.360 inches
End Application:
Seal, prop shaft
Product Name:
Inavy: packing; drawing: o-ring
Special Features:
Per drawing, type is nonstd
Material:
Rubber butadiene-acrylonitrile class nbr
Material Specification:
Mil-g-21610. Ty-1 military specification single material response
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A510x0
Mil-std (military Standard):
Mil-g-21610 spec.
