Cross-sectional Height:

0.116 inches

Center Hole Diameter:

0.924 inches

End Application:

End item nsn: 2320-01-529-2251; buffalo heavy mine protected clearance vehicle

Product Name:

O-ring, hydraulic

Special Features:

outside diameter is 1.156 inches

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A510x0
