Cross-sectional Height:

0.094 inches

Center Hole Diameter:

1.299 inches

End Application:

2320-01-529-2251 truck, bomb service

Hardness Rating:

70.0 shore durometer a

Special Features:

Material is buna-n (nitrile) with temp range -35 degrees to +250 deg; od 1.505"

Color:

Black

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A510x0
