Tempurature Rating:

212.0 degrees fahrenheit

Cross-sectional Height:

0.125 inches

Center Hole Diameter:

1.438 inches

End Application:

2320-01-437-6957 armored security vehicle

Product Name:

Valve neck o-ring

Special Features:

Od 1.6875

Material:

Rubber butadiene nitrile

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A510x0
