**Tempurature Rating:**

212.0 degrees fahrenheit

**Cross-sectional Height:**

0.070 inches

**Center Hole Diameter:**

0.813 inches

**End Application:**

2320-01-437-6957; armored security vehicle

**Special Features:**

Outside diameter is 0.938 inches

**Material:**

Rubber butadiene-acrylonitrile class nbr

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A510x0
