Tempurature Rating:

212.0 degrees fahrenheit

Cross-sectional Height:

0.070 inches

Center Hole Diameter:

0.813 inches

End Application:

2320-01-437-6957; armored security vehicle

Special Features:

Outside diameter is 0.938 inches

Material:

Rubber butadiene-acrylonitrile class nbr

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A510x0
