Cross-sectional Height:

0.070 inches

Center Hole Diameter:

0.187 inches

End Application:

1520-01-106-9519 helicopter, attack

Hardness Rating:

75.0 shore durometer a

Special Features:

Material compound is viton

Color:

Black

Material:

Rubber

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A510x0
