Center Hole Diameter:

1.174 inches

End Application:

4935-01-182-0578; shop equipment, guided missile system

Product Name:

O-rings, circular

Special Features:

Width is 0.103 inches; material is nitrile (buna-n) 70 duro

Color:

Black

Material:

Rubber

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A510x0
