**Center Hole Diameter:**

1.174 inches

**End Application:**

4935-01-182-0578; shop equipment, guided missile system

**Product Name:**

O-rings, circular

**Special Features:**

Width is 0.103 inches; material is nitrile (buna-n) 70 duro

**Color:**

Black

**Material:**

Rubber

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A510x0
