End Application:

S30 metallic standard duty ball

Product Name:

Check ball seat o-ring

Special Features:

Literature model s30 metallic pages 14 and 15

Color:

Red

Material:

Rubber butadiene-acrylonitrile class nbr

Material Specification:

Cage 18966, material code 360 mfr ref single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A510x0
