Cross-sectional Height:

Between 0.135 inches and 0.143 inches

Center Hole Diameter:

Between 5.449 inches and 5.519 inches

End Application:

Pump assembly, reciprocating

Specification Data:

813434-as568a manufacturers standard

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A510x0
