Cross-sectional Height:

1.766 inches

Center Hole Diameter:

1.498 inches

Product Name:

Scraper, double-acting ptfe

Special Features:

Unnotched, oring energizer-epdm ethylene propylene

Material:

Rubber ethylene-propylene class epm

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A510x0
