Cross-sectional Height:

0.188 inches

Center Hole Diameter:

21.0 inches

End Application:

7010-01-605-1986; command and control system

Product Name:

O ring

Material:

Rubber ethylene-propylene-diene class epdm

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A510x0
