Width:

Between 0.470 inches and 0.530 inches

Extended Length:

55.560 inches

Mounting Method:

Unthreaded hole

Side For Which Designed:

Left hand

Closed Length:

Between 25.250 inches and 25.370 inches

Material:

Aluminum alloy 7075

Material Specification:

Qq-a-200/11, t6 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03100
