Overall Length:

4.375 inches

Handle Clearance:

1.687 inches

Thread Size:

0.250 inches

Material:

Stainless steel

Material Specification:

Qq-s-764, type 430f, cond a federal specification single material response

Surface Treatment:

Nickel and chromium

Surface Treatment Specification:

Qq-c-320 federal specification single treatment response

Thread Series Designator:

Unf

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A250a0
