## NSN 5340-00-008-5747

Rod End Clevis - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5340-00-008-5747

Hole Diameter:
Between 0.200 inches and 0.360 inches
Special Features:
Color, black
Material:
Aluminum alloy 6061
Material Specification:
Qq-a-225/8, t651 federal specification single material response
Surface Treatment:
Anodize
Surface Treatment Specification:
Mil-a-8625, type 2, class 2 military specification single treatment response
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A264a0
Mil-std (military Standard):
Mil-a-8625 spec.
