Prebent Locking Feature Location:

One edge

Material:

Aluminum alloy, qq-a-250/11, alloy 6061, t6

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11, alloy 6061, t6 federal specification single material response

Fsc Application Data:

Shock strut, landing gear, tail, aircraft

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T319-c
