Material Hardness Rating:

Between 38.0 rockwell c and 42.0 rockwell c

Design Type:

Solid

Special Features:

Not casehardened

Material:

Steel, sae 4140

Material:

Steel comp 4140

Material Specification:

Sae 4140 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T319-e
