Casehardening Indicator:

Not casehardened

Flange Diameter:

1.156 inches

Flange Thickness:

0.047 inches

Overall Height:

1.087 inches

Body Outside Diameter:

0.703 inches

Body Inside Diameter:

0.609 inches

End Hole Diameter:

0.256 inches

Lip Thickness:

0.047 inches

Material:

Steel, qq-s-637, comp 1117

Material:

Steel comp 1117

Material Specification:

Qq-s-637, comp 1117 federal specification single material response

Style Designator:

Parallel

Fsc Application Data:

Brake, multiple disk, aircraft

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T319-a
