Width:

1.500 inches

Overall Height:

1.500 inches

Material Thickness:

0.015 inches

Length:

1.719 inches

Mounting Method:

Unthreaded hole

Loop Opening Width:

0.187 inches

Loop Height:

1.125 inches

Special Features:

Two holes 0.265 in. Dia, 0.750 in. Ctr to ctr, 0.375 in. From edge along width, 0.500 in. From edge along length

Material:

Steel comp 1095

Material Specification:

Aisi assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03100
