Center To Center Distance Between Bolt Holes Along Width:

2.438 inches

Center To Center Distance Between Bolt Holes Along Length:

4.938 inches

Wheel Quantity:

1

Safe Operating Load Rating:

1200.0 pascal kilonewtons

Material And Location:

Canvas, plastic impregnated wheel rim

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A25600
