Width:

1.630 inches

Mounting Method:

Bracket

Special Features:

Nonconstant force return; cable data, 24.970 in. Lg cable, cres cable, 0.593 lb, cable extending tension, 1.375 lb, retracting tension; o/a dim., 27.000 in. Lg. No special features; fragility factor: moderately rugged

Height:

0.593 inches

Fsc Application Data:

Guided missile remote control equipment

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T378-e
