**Width:**

1.630 inches

**Mounting Method:**

Bracket

**Special Features:**

Qnonconstant force return; cable data, 24.970 in. Lg cable, cres cable, 0.593 lb, cable extending tension, 1.375 lb, retracting tension; o/a dim., 27.000 in. Lg. No special features; fragility factor: moderately rugged

**Height:**

0.593 inches

**Fsc Application Data:**

Guided missile remote control equipment

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T378-e
