Distance From Centerline To Flat:

0.135 inches

Diameter:

0.380 inches

Length:

1.500 inches

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-225/6 federal specification single material response

Surface Treatment:

Anodize

Surface Treatment Specification:

Mil-a-8625, type 1 military specification single treatment response or mil-a-8625, type 2 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A08900

Mil-std (military Standard):

Mil-a-8625 spec.
