End Application:

2590-00-102-9928

Special Features:

Steel, carbon, 0.500 in. Thick, consists of fscm 19207 part numbers, support 8764512, support 8764509, support 8764510, retainer, eye bolt 8764513, bracket, pin 8764511, weld per specification mil-w-13779, electrode per specification mil-e-15599, phosphate coat grade 1 specification mil-c-490

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A042a0
