End Application:
2590-00-102-9928
Special Features:
Steel, carbon, 0.500 in. Thick, consists of fscm 19207 part numbers, support 8764512, support 8764509, support 8764510, retainer, eye bolt
8764513, bracket, pin 8764511, weld per specification mil-w-13779, electrode per specification mil-e-15599, phosphate coat grade 1
specification mil-c-490
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
