Width:

4.750 inches

Material Thickness:

0.060 inches

Length:

8.250 inches

Loop Height:

0.750 inches

Material:

Aluminum alloy 5052

Material Specification:

Qq-a-250/8, h34 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03100
