Attachment To Item Supported Method:

Holds item with no. 10-32 unf 3b screw

Supporting Object/surface Attachment Method:

One 0.19 in. Diameter hole 0.27 center hold to edge flange

Material:

Steel, corrosion resisting

Material:

Stainless steel

Fsc Application Data:

Holder, spring, engine fuel system, aircraft

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T08100
