Overall Length:

1.009 inches

Overall Height:

1.166 inches

Overall Width:

0.734 inches

Material Thickness:

0.015 inches

Material:

Steel, sae 1050 or steel, sae 1060 or steel, sae 1075

Material:

Steel comp 1050 or steel comp 1060 or steel comp 1075

Material Specification:

Sae 1050 assn standard 1st material response and sae 1060 assn standard 2nd material response and sae 1075 assn standard 3rd material response

Style Designator:

Barrel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T319-a
