Diameter:

1.875 inches

Thickness:

0.125 inches

Machined Surface Finish:

Semismooth

Material:

Steel comp 303

Material Specification:

Qq-s-766, cond a federal specification single material response

Surface Treatment:

Passivate

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A539r0
