Overall Height:

1.9600 inches

First Step Diameter:

1.1000 inches

Design Type:

Solid

Special Features:

Not casehardened

Material:

Steel, ams 5010

Material:

Steel comp 1212

Material Specification:

Ams 5010 assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T319-e
