Overall Length:

2.440 inches

Overall Width:

0.489 inches

End Application:

T-33

Special Features:

0.500 in. Min. 0.505 in. Maximum inside radius from base to contour 2.000 in. Lg between mounting holes. 0.500 in. Thk of mounting flanges

Material:

Aluminum

Material Specification:

Qq-a-591 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A105a0
