## **Overall Length:**

5.625 inches

# Center To Center Distance Between Mounting Facilities Parallel To Length:

5.250 inches

# **Mounting Facility Quantity:**

2

#### Handle Clearance:

1.375 inches

#### **Thread Size:**

0.190 inches

## **Special Features:**

Black anodize

#### Material:

Aluminum alloy 6061

#### Material Specification:

Qq-a-225/8 federal specification single material response

#### Surface Treatment:

Anodize

## Surface Treatment Specification:

Mil-a-8625, type 2 military specification single treatment response

#### Thread Series Designator:

Unf

# Shelf Life:

N/a

#### Unit Of Measure:

---

#### Demilitarization:

No

## Fiig:

A250a0

# Mil-std (military Standard):

Mil-a-8625 spec.
