Overall Length:

4.383 inches

Center To Center Distance Between Mounting Facilities Parallel To Length:

4.195 inches

Mounting Facility Quantity:

2

Handle Clearance:

1.880 inches

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11, t6 federal specification single material response

Surface Treatment:

Chromate

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A250a0
