Dust And Moisture Seal Protective Cap - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/5340-00-168-6632

Design Type:
Friction
Width Across Flats:
1.600 inches
Material:
Plastic polyethylene
Material Specification:
Mil-p-3803, grade 1 military specification single material response
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A539k0
Mil-std (military Standard):
Mil-p-3803 spec.
