Hole Diameter:

Between 0.150 inches and 0.156 inches

Mounting Opening Shape Style:

Unthreaded hole

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-225/6 alloy 2024 t4 federal specification single material response

Surface Treatment:

Anodize

Surface Treatment Specification:

Mil-a-8625 type 2 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A531c0

Mil-std (military Standard):

Mil-a-8625 spec.
