Overall Height:

3.210 inches

Material Thickness:

0.030 inches

Mounting Device Quantity:

1

Sealing Method:

Mechanical

Base Outside Diameter:

1.100 inches

Mounting Method:

Strap

Base Inside Diameter:

0.940 inches

Material:

Plastic polyethylene body

Material Specification:

Ss9530 gr 50, sikorsky mfr ref single material response body

Fsc Application Data:

Head, rotary wing

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A02000
