Casehardening Indicator:

Not casehardened

Width:

3.810 inches

Overall Height:

2.992 inches

Stock Diameter:

0.062 inches

Material:

Steel, qq-w-470 or steel, ams 5112

Material:

Steel uns k08500 or steel comp 1090

Material Specification:

Qq-w-470 federal specification 1st material response and ams 5112 assn standard 2nd material response

Surface Treatment:

Cadmium

Style Designator:

Pin

Surface Treatment:

Cadmium plated, qq-p-416, type 1

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T319-a
