# Casehardening Indicator:

Not casehardened

### Width:

3.810 inches

# **Overall Height:**

2.992 inches

### Stock Diameter:

0.062 inches

#### Material:

Steel, qq-w-470 or steel, ams 5112

# Material:

Steel uns k08500 or steel comp 1090

# Material Specification:

Qq-w-470 federal specification 1st material response and ams 5112 assn standard 2nd material response

# Surface Treatment:

Cadmium

# Style Designator:

Pin

#### Surface Treatment:

Cadmium plated, qq-p-416, type 1

#### Shelf Life:

N/a

#### Unit Of Measure:

---

#### Demilitarization:

No

#### Fiig:

T319-a
