Buckle Material:

Steel, qq-s-698

Buckle Surface Treatment:

Chromate

Buckle Location:

21.000 in. From fixed end

Fastened Buckle Feature:

Not included

Special Features:

One anchor plate sewed on each end approximately 50.000 in. O/a lg

Color:

Olive drab

Material:

Nylon, mil-w-27265, class r

Material:

Plastic polyhexamethylene adipamide

Material Specification:

Mil-w-27265, class r military specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T372-b

Mil-std (military Standard):

Mil-w-27265 spec.
